

music of sagebrush cold night of night- mares
curtains of winter- long stories of hair
of breathing pianos / black teeth of nightmares
flash o' lightning of swimming, & bodies
of air voices of backroads our shadows of breathing
smoke of twin harps / our shadows of swimming
a bowl of white hair the monk escapes of-
ten sweat of more sweat: the music of breathing
sagebrush of backroads the twin harps of swimming
the black teeth of smoke / cold winter of
lightning air of pianos long night of night-
mares phosphor of oranges pianos
her hair black / curtains of voices a white bowl
of cold flash stories of bodies
of breathing back- roads sweat of more sweat,
the monk hides despair flash o' nightmares
of bodies of black teeth & stories twin
shadows of light- / ning- long music of hair
